

Cobham Community Garden

Bringing the community together to grow

- Be responsible for opening the Garden, appointing tasks to attending members and performing gardening tasks. We open the Garden for four 2 hour sessions per week but you could cover as many as you wish (Thursday & Saturday 10-12 & 2-4pm.)
- Make sales of produce from the Garden to members & visitors. Hold a cash float.
- Some basic gardening experience would be helpful but not essential. We can give full guidance on what tasks need doing and how to do them.

YOUR GARDEN NEEDS

SESSION

LEADERS

We need someone to lead when the Garden is open.
