

Cobham Community Garden

Bringing the community together to grow

Be knowledgeable about growing – principally vegetables and fruit – and share this.
Manage all aspects of growing things in the Garden, such as:

- Produce the annual planting plan
- Source materials (seeds, plants, compost, etc.)
- Plan and organise the annual cycle of work
- Participate in the work
- Guide other volunteers
- Liaison with Cobham Garden Club

Ensure an appropriate stock of maintained gardening equipment

Participate in managing the budget of the organisation (in conjunction with the Business lead)

YOUR GARDEN NEEDS

A HEAD

GARDENER

We need someone who knows a bit about growing.
